SUMMARY

I'm a Second-year Computer Science student interested in a Software Developer internship. I have a basic foundation level knowledge in C, Python, and HTML, and I am eager to apply these skills in a real-world setting. I am a hard worker and a fast learner who is ready to pick up new technologies and contribute to team projects while growing my technical abilities.

TECHNICAL SKILLS

- **Programming Languages:** C, Python (Basic)
- **Databases:** SQL(basics)
- **Web Technologies:** HTML5, CSS (Learning)
- **Design Tools:** Canva, Traditional Sketching & Painting
- **Core Fundamentals:** Data Structures & Algorithms (Basics), Logic Building
- **Tools:** Git (Version Control), Visual Studio Code, Dev C++, Cisco Packet Tracer

PROJECTS

Battery Level & Strength Indicator | *Hardware-Software Integration*

Collaborated on a hardware-software project using a Breadboard and Buzzer to design an automated low-battery alert system with real-time Battery strength indicators using a display.

Food Delivery & Restaurant Discovery App | *Angular, TypeScript*

Built a restaurant discovery and ordering platform using TypeScript and Angular. Managed restaurant and menu data via a mock backend, implementing features for real-time order tracking and dynamic menu navigation.

ACHIEVEMENTS

- **Project Leadership & Design:** Led the Fashion and Decoration team for a major faculty event, managing end-to-end execution and securing **1st Place** for design excellence and coordination.
- **Visual Arts & Composition:** Recognized for artistic precision and creativity with **2nd Place** in a competitive Visual Art competition, showcasing a strong eye for detail and aesthetics.
- **Media Production & Storytelling:** Co-produced and directed a short film that earned **2nd Place** in a college-wide competition, demonstrating effective team collaboration and technical creative direction.

INTERNSHIPS

Zenerative Minds, Bengaluru (with Stipend)

Artificial Intelligence Intern

(Apr-2026 – May-2026)

Mindtronix Products and Services, Tirupati

Research and Development Intern

(Mar-2026 – Apr-2026)

EDUCATION

Christ University ,Bangalore, India

Bachelor of Technology in Computer Science and Engineering

(2024 – 2028)

CGPA: 3.5/4 (Average of 3 Semesters)

Sridhars College ,Tirupati, India

Intermediate (M.P.C)

(2022 – 2024)

Score: 874/1000

Shloka-A birla School ,Tirupati, India

(2021 – 2022)

Percentage: 85%

CERTIFICATIONS

- **Done:** Cisco Packet Tracer (Infosys | Springboard) ,Machine Learning (Simplilearn), NPTEL Cloudcomputing, NPTEL Introduction to Large Language Models .
